

### ***Raff Angus female creates \$30,000 Queensland record***

By PETER LOWE

DRILLHAM-based stud masters Andrew, Anna, David and Jill Raff of Raff Angus set a Queensland record auction price of \$30,000 at their annual Female Production Sale on Monday.

The \$30,000 record breaking Angus female and former Sydney Royal grand champion female, Raff Burnette B126 was sold to John Toohey and Gillian Fahle, Murra Angus, Walwa, Victoria. She was in-calf to successful sire, Raff Dictator D364.

Raff Burnette has a blue blood pedigree being out of Raff Burnette U108 which is a full sister to Raff Ultimate U27, a bull which sold to Andrew Smith, Tieyon Station, Alice Springs for the \$30,000 Queensland private sale record money in 2002.

Mr Toohey, a repeat buyer for many years said he was delighted to acquire such a high-profile Angus female for his next flush program.

Marketing agents Glasser Total Sales Management and Ray White Livestock Sales Management sold 78 registered Raff females for a \$3307 average and 14 in-calf APR Raff heifers in two pens for a \$2114 average which sold to a top of \$2400 which is believed to be another Queensland record.

Special guest vendor Mrs Joyce Hodgkinson, Wallangra Angus, Wandoan sold 32 unjoined commercial Angus heifers for a \$1268 average.

Full report coming next week.
